## CUTSCENE MODE

FADE IN:

EXT. NEW YORK CITY SKYLINE - NIGHT

We FADE IN -- overlooking the skyline of NYC, a character its self. On the beat of the music, the words appear on screen:

"MANHATTAN - A School Night"

We begin to hear a loud alarm bell ringing in the distance -- a place being robbed!

CUT TO:

INT. NYC BANK (MAIN LOBBY) - NIGHT

We see a bunch of armed goons breaking into a bank, which is closed. Amongst them is HERMAN SCHULTZ (funny looking, mid-30's) and FLINT MARKO (thick, also mid-30's) -- they enter the BANK with their guns in hand, ready.

HERMAN SCHULTZ  
Money's calling boys... Let's do  
this before the pigs show up!

HERMAN and his goons all rush for the vault and begin getting to work.

HERMAN SCHULTZ  
First thing I'm doing once I get my  
take... Is getting a good ol'beer  
and putting my feet up...

Suddenly a youthful voice emerges:

SPIDER-MAN (O.S.)  
You forgot to add that you'll be  
sharing a jail cell with Jamal and  
Hasus.

All robbers, including HERMAN, jump from surprise.

HERMAN SCHULTZ  
Who the Hell said that?!

SPIDER-MAN (O.S.)  
It's me... Your conscience... Yeah,  
we don't talk much these days...

SPIDEY is not in sight, the thugs begin to panic.

ROBBER 3  
Schultz, man. I don't like this...

HERMAN SCHULTZ  
Don't say my name ya idiot!

SPIDER-MAN (O.S.)  
He's the idiot? Wow, okay, that's  
coming from a guy who sounds like  
he just came from the Wild West.

Suddenly, ROBBER 3 is WEBBED UP to the ceiling -- comedic  
moment, nothing in sight above -- except the hanging body of  
ROBBER 3, covered in webbing.

ROBBER 4  
Oh man...

FLINT MARKO  
Whada'we do, S?

HERMAN SCHULTZ  
What we always do...

FLINT MARKO  
Which is?...

HERMAN SCHULTZ  
Spread out! Kill that little  
bastard then bust the vault!

Suddenly, SPIDEY crawls out of the shadows -- exposed.

SPIDER-MAN  
Here I am, maybe this'll give you a  
hand.

FLINT MARKO  
Oh no! It's the Devil guy!

HERMAN SCHULTZ  
What?!

ROBBER 5  
Daredevil man! He had my cousin  
Lenny locked up with four broken  
bones and six fractures...

FLINT MARKO  
This wasn't part of the plan!

HERMAN SCHULTZ  
It comes with the job!

SPIDER-MAN  
Ahem. Guys... I'm not...  
Daredevil...

FLINT MARKO  
W-What???...

SPIDER-MAN  
I'm... NOT... Daredevil?...

ROBBER 5  
Then who the Hell are ya?!

SPIDER-MAN  
Spider-Man.

FLINT MARKO  
Who?

SPIDER-MAN  
Spider-Man???... Come on guys...  
Web-Swinging, crime fighting,  
genius?...

HERMAN SCHULTZ  
Ain't gonna matter for long, kill  
him!

All men aim their large guns at SPIDEY.

SPIDER-MAN  
(Scared, yet comical  
scream)  
ARGHH!!!

SPIDEY leaps up into the air, webbing the guns off both  
HERMAN and FLINT -- however, all the other ROBBER'S in the  
room, still have their guns.

HERMAN and FLINT run into the next room, shouting as they  
do:

HERMAN SCHULTZ  
We'll handle the vault, you find  
that little shit and bring me his  
head!

ROBBER 5  
On it, boss! Alright Spider... Come  
out!
